**ANNOUNCING** — Paul Brandon's many friends and customers will be interested in knowing that he is now in the U. S. army. We took over his remaining stock as well as all of his seedlings to grow for the duration. We are growing and marketing the stock and seedlings for him. He has many beautiful seedlings coming along and they will be introduced as fast as sufficient stock is available. You may be assured that you, his customers, will be pleased with his bulbs as grown in Michigan. Paul wished us to include in our price list his open letter.

I have laid down my hoe and taken up the sword in active defense of our country. I am overseas in a combat zone. My business has been discontinued for the duration. Much of my best stock and the names of my friends and customers have been turned over to Mr. Stancer. He is a swell fellow to deal with and his Michigan grown stock is of the best.

Beauty is one of the things we are fighting for, so buy some flowers from him.

Thanks and best wishes,  
Paul Brandon,  
Formerly of Bend, Oregon.
